Battlefields Trip 2019

Dear Parent / Guardian

As you will be aware, I have started collecting passports for photocopying. Therefore, your our son/daughter/ward should have handed in their passport or a photocopy of it. If they haven't done so it's imperative that they do this week as our travel company need details by early March. If they are waiting on a passport arriving, I will enter their full name and date of birth as per school details. If the details held by the school are different to that of the passport, I must be notified no later than next week.

Further to this, our trip co-ordinator has been in touch with the most recent advice with the latest Brexit update from ABTA. It is as follows;

"Check the date your passport expires. When travelling to the EU after 29 March 2019, the UK government recommends that you have six months left on your passport on the date of your arrival to an EU country.

You should also check when your passport was renewed. If you renewed a 10 year adult passport before it expired, extra months may have been added to your passport's expiry date. These extra months over 10 years will not count towards the 6 months that must be remaining. The UK Government has published a website tool to check the validity of your passport under these rules.

You can renew your passport online or by going to a Post Office with a Check and Send service. "

Please check the expiry date or your son/daughter/wards passport. To ensure smooth planning please ensure the passport has 6 months valid date from 22nd June 2019.

This information was sent via e-mail on Tuesday 26th February to the e-mail address provided on the Google Classroom contact form returned by your child/ward. If you have not received the e-mail, please notify me so we can update contact details.

If there are any questions, please don't hesitate to contact me.

Kind regards,

Mrs Sara Thain
